Software engineering aficionado with exceptional problem-solving skills, adept at teamwork, and exhibits a fervent passion for coding.

PROJECTS

Food Reviewing Web Application

- **Technologies Used**:- HTML, CSS, JavaScript, Node.js, ExpressJS, MongoDB, Bootstrap, Passport.js
- Github

  This website is a versatile platform for creating and reviewing a wide variety of food items. Users can create, edit, update, and remove their reviews, providing a personalized experience. It fosters an engaging online community where users actively share insights and experiences with others.

Sorting Visualizer

- **Technologies Used:-** HTML, CSS, JavaScript
- Github

  The website offers an intuitive and visually appealing user interface for exploring sorting algorithms. It aims to help users understand the complexities of arranging arrays using different sorting techniques. Users can observe and learn how these algorithms operate and affect the arrangement of elements in an array.

EXPERIENCE

Backend Developer Intern

Fleksa

📅 **01/08/2023- Present**

- Proficiently documented the entire backend infrastructure using Swagger for comprehensive documentation.
- Successfully integrated backend functionalities and APIs using TypeScript and Node.js with Prisma.
- Skillfully crafted responsive templates using HTML and CSS to enhance user interfaces without relying on external frameworks.

SKILLS

- **Programming Languages**
  - C++
  - Javascript, HTML, CSS
- **Frameworks & Libraries**
  - NodeJS, ExpressJS , ReactJS
  - MongoDB
  - Bootstrap
- **Version Control**
  - Git
  - Github
- **Other Tools**
  - Postman, Swagger

EDUCATION

B.Tech. (IT) - 7.8 CGPA

GB Pant University of Agriculture and Technology

📅 2019 – 2023   📍 Pantnagar, Uttarakhand

Higher Secondary - 93.2%

Campus School

📅 2019 – 2023   📍 Pantnagar, Uttarakhand

High School- 10CGPA

Campus School

📅 2017   📍 Pantnagar, Uttarakhand

ACHIEVEMENTS

- Solved **450+ coding questions** on geeksforgeeks GG+ leetcode ☕ .
- **5 star** codes in Hackerrank.
- Secured 8th state rank in International Informatics Olympiad 2017-18(Level-2).

STRENGTHS

- **Problem-solving abilities**: Identifying challenges and finding practical solutions.
- **Team player**: Collaborating harmoniously with colleagues, contributing to group success.
- **Self-motivated**: Demonstrating a strong drive and internal motivation to achieve goals.
- **Positive attitude**: Maintaining an optimistic outlook, even in challenging situations.
- **Time management**: Efficiently organizing and prioritizing tasks to meet deadlines.

VOLUNTEERING

Public Relation Head at SPICMACAY, Pantnagar Chapter

COURSEWORK

- Object Oriented Programming
- Database Management System
- Operating System
- Computer Networks
